

HAUNTED FINGER LAKES

Asylums, Modern Spiritualism, and Wine ☉ 4 days / 3 nights

HIGHLIGHTS

WILLIAM PHELPS GENERAL STORE

The museum “where time stands still”. Proprietor William Phelps completed renovations to the store by 1875. His son Julius locked the doors in 1940, and nothing has been moved since, leaving a creepy and intriguing retail time capsule.

IT'S A WONDERFUL LIFE MUSEUM

Seneca Falls NY is the inspiration for Frank Capra's, Bedford Falls from the movie *It's A Wonderful Life*. Photographs and memorabilia from the collection of Karolyn Grimes, who played “Zuzu” in the film, are on display together with items from other private collections.

FOX SISTERS

Come visit the site where Modern Spiritualism began, listen to the story and listen for the famous “rapping”.

JELL-O MUSEUM

Yes – there is an adorable museum dedicated to Jell-O, created in Leroy, NY.

HARRIET TUBMAN HOME

The “Moses of Her People”. This amazing woman was the Underground Railroad leader, a spy and a nurse. She owned land upstate NY when no other black woman could and built this home. Her story is inspiring!

HIGHLIGHTS

MERRY GO ROUND PLAYHOUSE

Broadway in the Finger Lakes! The Merry Go Round is the region's largest professional musical theater. What was one a large Merry-Go-Round, became this beautiful theater, in a beautiful setting.

ROLLING HILLS ASYLUM

This Genesee County Poor House (originally a working farm) became a dumping ground for the outcasts of society. Widows and orphans mingled with lunatics and the unclaimed dead were buried on the property. With over 1,700 documented deaths and hundreds not recorded, it's no wonder *Haunted North America* rated it as **the second most haunted site in the United States.**
